

for the home

Often the horse lover's lifestyle extends out of the barn into the homes. Offering equestrian-themed home decor offers your customers gift options for all the horse people in their lives. For the holiday party season, frames, mugs, stationery and equine-themed chocolates would make perfect hostess gifts.

for the younger crowd

Bright and fun are two words that attract the teenage set. Merchandise towels, sheets, flipflops and shower curtains together to inspire grandparents who don't know what to buy their horse-crazy tween. Fill a totebag with socks, slippers, and jewelry to display items that might inspire customers to purchase more than one item.

for men

Remember that women are your primary shoppers and men are hard to shop for. Add cufflinks, buckle sets, money clips, key chains, and special knives as special stocking stuffers. Classic equestrian-themed silk ties are an easy buy for the horse-loving man.
