

# The XTractor™

## Solve Your Invasive Mesquite & Huisache Problems!

\*Winner of the AE50 Top Innovative Product Award 2019

\***Patented Design**--Built In Texas, USA

\***Scientific Engineered Pulling Angle**--pulls up tap root, preventing regrowth of small brush with large roots.

\*Triples the breakout force of most skid steers!

\***Cuts down on chemical use**--minimizes runoff & water issues.
